Robertson Ready For Match With Cartmell

PHILADELPHIA, Feb. 22.—Lawson Robertson, trainer of the Irish-American Athletic Club, of New York, one of the best sprinters in America, now a professional, answers the recent acceptance of his challenge by N. J. Cartmell, the old Red and white path star, now the world's champion, by stating that he is ready to compete against Cartmell in a special match at 100 yards.

Robertson realizes that Cartmell never made any pretense of being a star at the century, and even in his last race to the New Yorker he stated specifically that if Robertson wanted to race for \$1,000 for any distance less than 100 yards he would furnish him an opponent and a wager by having Cartmell, now of America, now racing abroad, return home for the event.

Cartmell did state that at any distance from 100 to 300 yards he was open to meet the New Yorker and that the date and terms were all in the hands of Robertson, despite the fact that Cartmell is the champion. It is known that Robertson plans a trip abroad, but Cartmell is now determined that he shall race at home before his trip and Cartmell will leave Chapel Hill, N. C., in a few days and visit the Irish-American trainer to pin him down to a match with himself or Holway.

The Penn crack of a few years ago will go to Europe again this year if he fails to draw Robertson into a match. He will meet all comers, provided they comply with the professional terms of a side bet of \$2,500. On the return to America Cartmell will retire permanently from competition.

Scanlon Will Not Sign With a Cut in Salary

SYRACUSE, Feb. 22.—Dr. W. D. Scanlon, the Brooklyn National pitcher, stated today that he would refuse to play under the Brooklyn management for another season. The club sent him a contract calling for a \$400 cut in salary, and Scanlon said that rather than accept it he will quit baseball.

"I'm tired of playing for a tail-end club," said Scanlon, who has been six years with Brooklyn. "Many minor league pay better salaries than Brooklyn offers me."

Naval Medical Team.

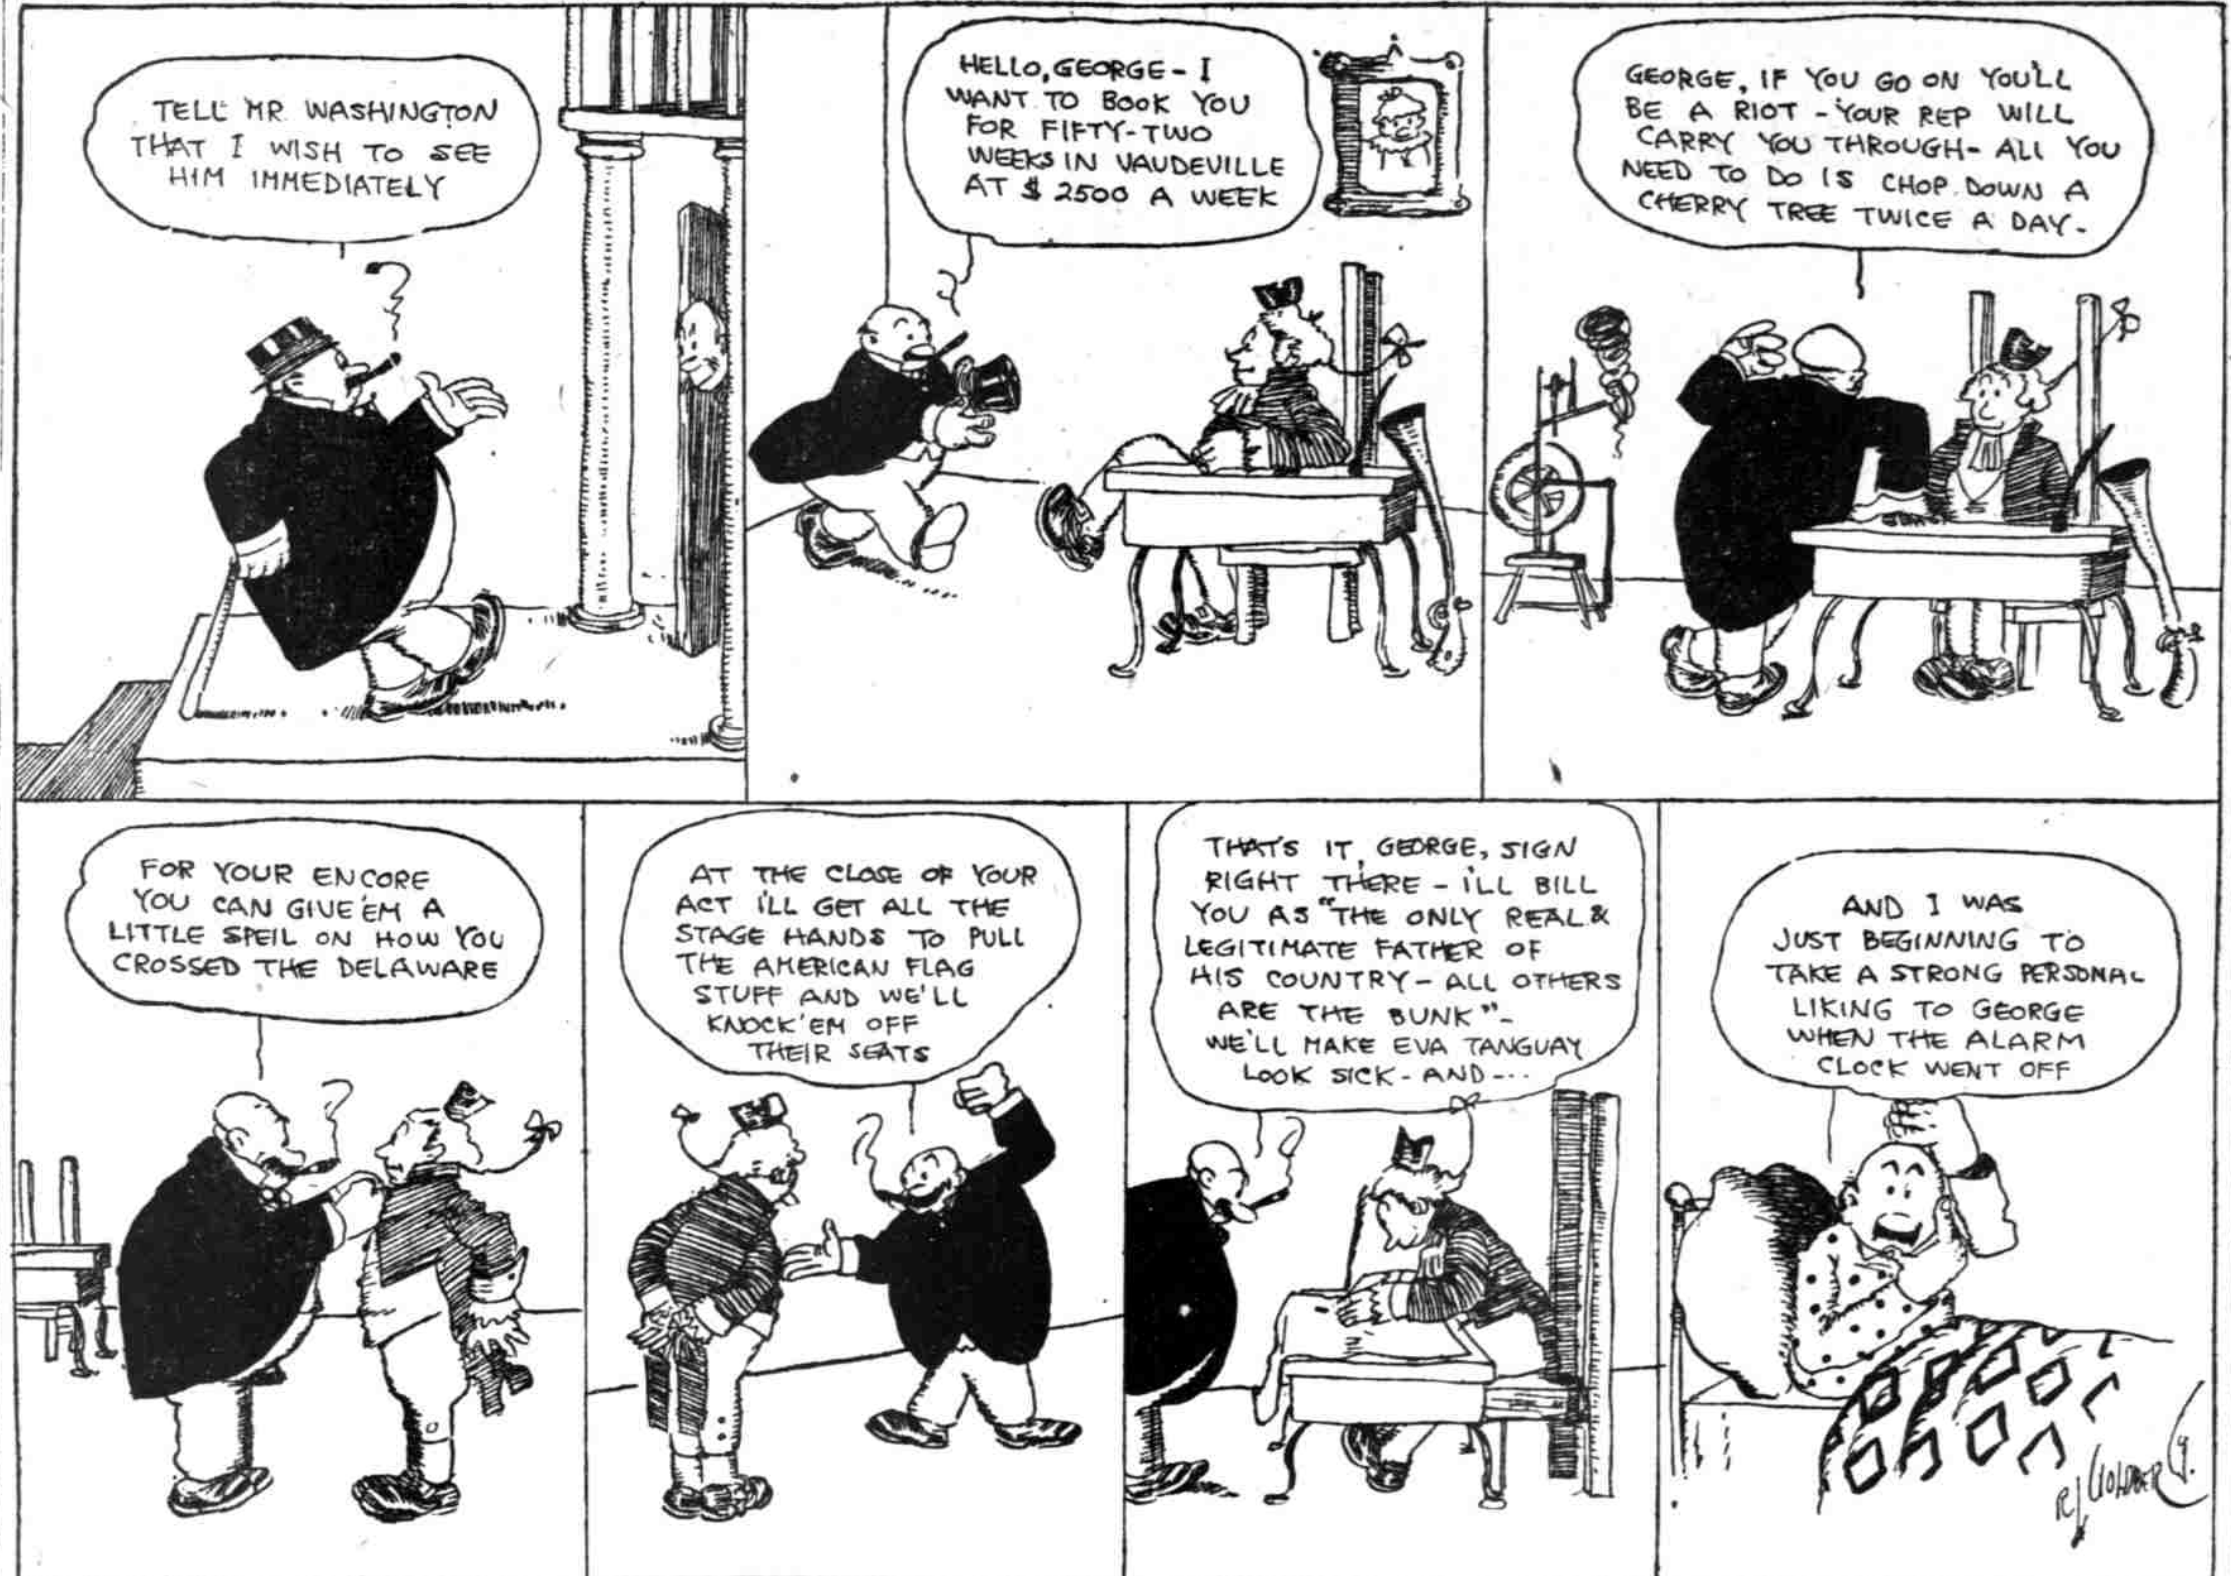

Interest is being manifested in the United States Naval Medical School basketball team which, according to reports, will show up among the leaders during the coming season. Open dates will be filled by Manager Collier, who has Snider, Yoh, Fair, Watson, Lawrence, Haylen, Dean, Robertson, Percy, Asman, Savage, Burton, Gardner, Walters, and Kirk on his string as a nucleus for a team.

Reulbach Signs.

CHICAGO, Feb. 22.—Ed Reulbach is the latest addition to the Chicago ranks today, having signed a year's contract in President Murphy's office late yesterday. Johnny Evers was due for a contract "confab" with President Murphy today.

Strength Added Squad Of Gallaudet Wrestlers

The Gallaudet College wrestling squad has been greatly strengthened by the return of two veteran wrestlers, George Bailey and Wild West Gardner. Both expect to be in the 145-pound class at the coming South Atlantic Amateur Athletic Union championship wrestling tournament in the Carroll Institute in March.

The interest in the meet is keen at the east side college, which has been sending representatives to every wrestling candidate work out in the Kendall Green gymnasium regularly until the championship preliminaries.

Moran Looked Upon Now as Real Comer

NEW YORK, Feb. 22.—Frank Moran, the Pittsburgh heavy, continues to "make good" here, his latest victim being Jack Selberg, a Californian, who went down and out in the third round of his fight with Moran last night. The Pittsburgher impressed the crowd as being a real comer.

Leach Cross and Johnny Marto fought ten rounds at the Fairmont Club last night, with neither man having a decided advantage.

CROSS-COUNTRY RUN RIVALRY IS INTENSE

Baltimore Touted to Win Classic Distance Event Today.

With more than fifty men ready for the starter's gun and ideal weather the South Atlantic championship cross-country run is being commented upon as a probable Baltimore victory.

Rivalry has been intense for the past two seasons when the Monumental City has had the best of it. The cream of the distance men in the South Atlantic division are entered to fight it out this afternoon, and while Elphinstone, Lee, and Resdale, of Baltimore, look to have a good chance, Stecker, of the Washington Y. M. C. A., is picked to be among the leaders.

The start and finish of the race will be at the Brightwood Hotel, and the course will lie in a northwesterly direction across fields and over roads, to Piney Branch, south along the bank of the branch to the Military road, and then across the latter road to the Piney Branch road. Turning south on the Piney Branch road the runners will go another quarter of a mile to the terminus of the Fourteenth street car line, where they will turn and go back over the same course in the reverse direction, finishing at the Brightwood Hotel. The total distance of the run is about six and one-quarter miles.

The Washington Cross Country Club has entered a dozen promising youngsters, the fastest of whom are Bolac, formerly with the Baltimore Cross Country Club, Renner, Holland, and Schond.

The Washington Y. M. C. A. will be represented by three good men; the Standard Athletic Club, a local organization, has entered a speedy trio, and three men will wear the colors of the Fifth Regiment, of Baltimore.

Arrange Special Relay For Next Indoor Meet

The Tremont A. C. seems to have swept all before it in the relay events of the track season, while last year Washington Grove had the best of it in the relay.

The success of the Tremont A. C. seems to have spurred the famous Washington Grove team to recover its laurels for Manager Wymard, of the Georgetown University track team, has announced a special relay event between the two teams, which will be pulled off in the annual meet on March 4.

The announcement that Cornell would race Penn a 2,500-yard relay, instead of two miles, is taken that both teams mean business in a faster race. Those who saw Penn's two-mile team at the Baltimore games figure that Cornell will have to send a record-breaker to win out over the Red and Blue athletes.

Entries will positively close on Saturday, at which time Manager Wymard expects to send the entire list to the handicapper.

Olympia's New Team.

That the amateur baseball ranks will be recruited from high school players is evidenced by the report that the Olympia Athletic Club has announced that Ligon and Parker, battery of Eastern High School, will be seen wearing their colors this season. The grounds at Seventeenth and D streets southeast have been obtained and Manager Swan is looking for dates from teams wanting games. Several players of prominence have signified their intention of playing for Olympia and those in charge are looking forward to a successful campaign.

LANGFORD WAITING TO MEET JOHNSON

Disposal of Lang Puts Him in Line for Next Fight.

LONDON, Feb. 22.—Sam Langford is the pugilistic wonder of London today, and nothing will satisfy the sports but to see him clash with Jack Johnson for the world's title.

The ease with which the Boston negro, weighing 168 pounds, whipped Bill Lang, who weighed close to 200 pounds, last night, surprised everybody. So decisive was Langford's victory that there is a general regret that Lang's disqualifying foul in the sixth round robbed the negro of the knockout that seemed inevitable.

Should Promoter McIntosh succeed in matching Langford and Johnson for coronation week, Langford will not lack for backing. Most of those who saw him literally sweep Lang off the boards believe him the greatest scrapper in the world.

Langford was around town today with not a mark of the fight showing. He says he will stay in training until the result of McIntosh's negotiations with Johnson is definitely known.

Hofman Quits Chicago For Business in Akron

CHICAGO, Feb. 22.—A prolonged wait went up from West Side fans today when the announcement was made by President Murphy that Artie Hofman, outfielder and one of the best batsmen in the Cub machine, had retired.

Hofman, who left late last night for his home in Akron, Ohio, denies he is a holdout. "I have quit for good," said he. "My business in Akron demands my attention. I wouldn't play this season were I offered double my last year's salary."

Swedish Runner Begins Training for Match

PITTSBURGH, Feb. 22.—Gustav Ljungstrom, Swedish distance champion, arrived here today and began final training for his twelve-mile match with Percy Smallwood tomorrow night. Al Shrubbs, the Englishman, was matched with Smallwood, but he was stricken ill with grip yesterday and arrangements were made to substitute the Swede.

Gotch Plans Throwing Boer Twice in Hour

HARTFORD, Conn., Feb. 22.—Frank Gotch grapples with Peter Nogert, the South African Boer, in the big bout at the Park Casino tonight.

The Boer has been training three weeks for the match with Gotch. The champion came on today from Williamstown, Conn., where he easily threw in an hour a couple of novices yesterday. To win the match Gotch must throw his opponent twice in an hour.

Many Oarsmen.

ANNAPOLIS, Md., Feb. 22.—Interest in the coming season at the Naval Academy is already strong, the scheduling of a race against the University of Pennsylvania, after a lapse of a number of years, being an event which has directed more than the usual attention to aquatic.

McFarland Is Confident Of Victory Over Madole

PHILADELPHIA, Feb. 22.—Packer McFarland, one of the leading aspirants to the lightweight championship, meets Frankie Madole, the clever Pittsburgh boxer, in a six-round bout at Jack O'Brien's American Athletic Club here tonight. They will meet at catch weights, but both declare they will tip the beam at 135 pounds.

McFarland, who is fighting better this winter than at any time in his career, declares he will whip Madole and then press his efforts for a bout with Al Volcast, the title holder. Madole is a fighter more of the boxer type than a slugger. He has unlimited cleverness, is acutely intelligent and has splendid footwork and science. He stands about 5 feet 7 inches, and can make 133 ringside. His victories include wins over some of the best boys in the East.

Howell for Milwaukee.

ST. LOUIS, Feb. 22.—Harry Howell, at one time a pitcher of renown, who was accused of afflicting in the Cleveland-St. Louis season last season, where by the St. Louis Browns received a severe scolding throughout the baseball world and resulted in the dethronement of Jack O'Connor as manager, is again in the arena. It is authentically reported that he has been engaged by Milwaukee to play an infield position, probably second base, and incidentally act as scout when needed. President Hedges states that Howell is a faithful worker, and in order to place him on terra firma he was given his unconditional release.

Conference on Weight.

NEW YORK, Feb. 22.—Hopeful of effecting a compromise of the disputed weight question, Charles Harvey, Owen Moran's manager, went to Philadelphia today to confer with Packer McFarland, who is billed to meet Moran here on March 14. McFarland has been holding out for 135 pounds at 3 o'clock and for this weight at 7 o'clock. Harvey says he will agree to McFarland weighing in at 5 o'clock.
